

Calories Burned by Activity

Sum of Calories for each Activity. Color shows details about Activity. The data is filtered on Age and Device. The Age filter ranges from 18 to 56. The Device filter keeps fitbit.

Steps vs Distance

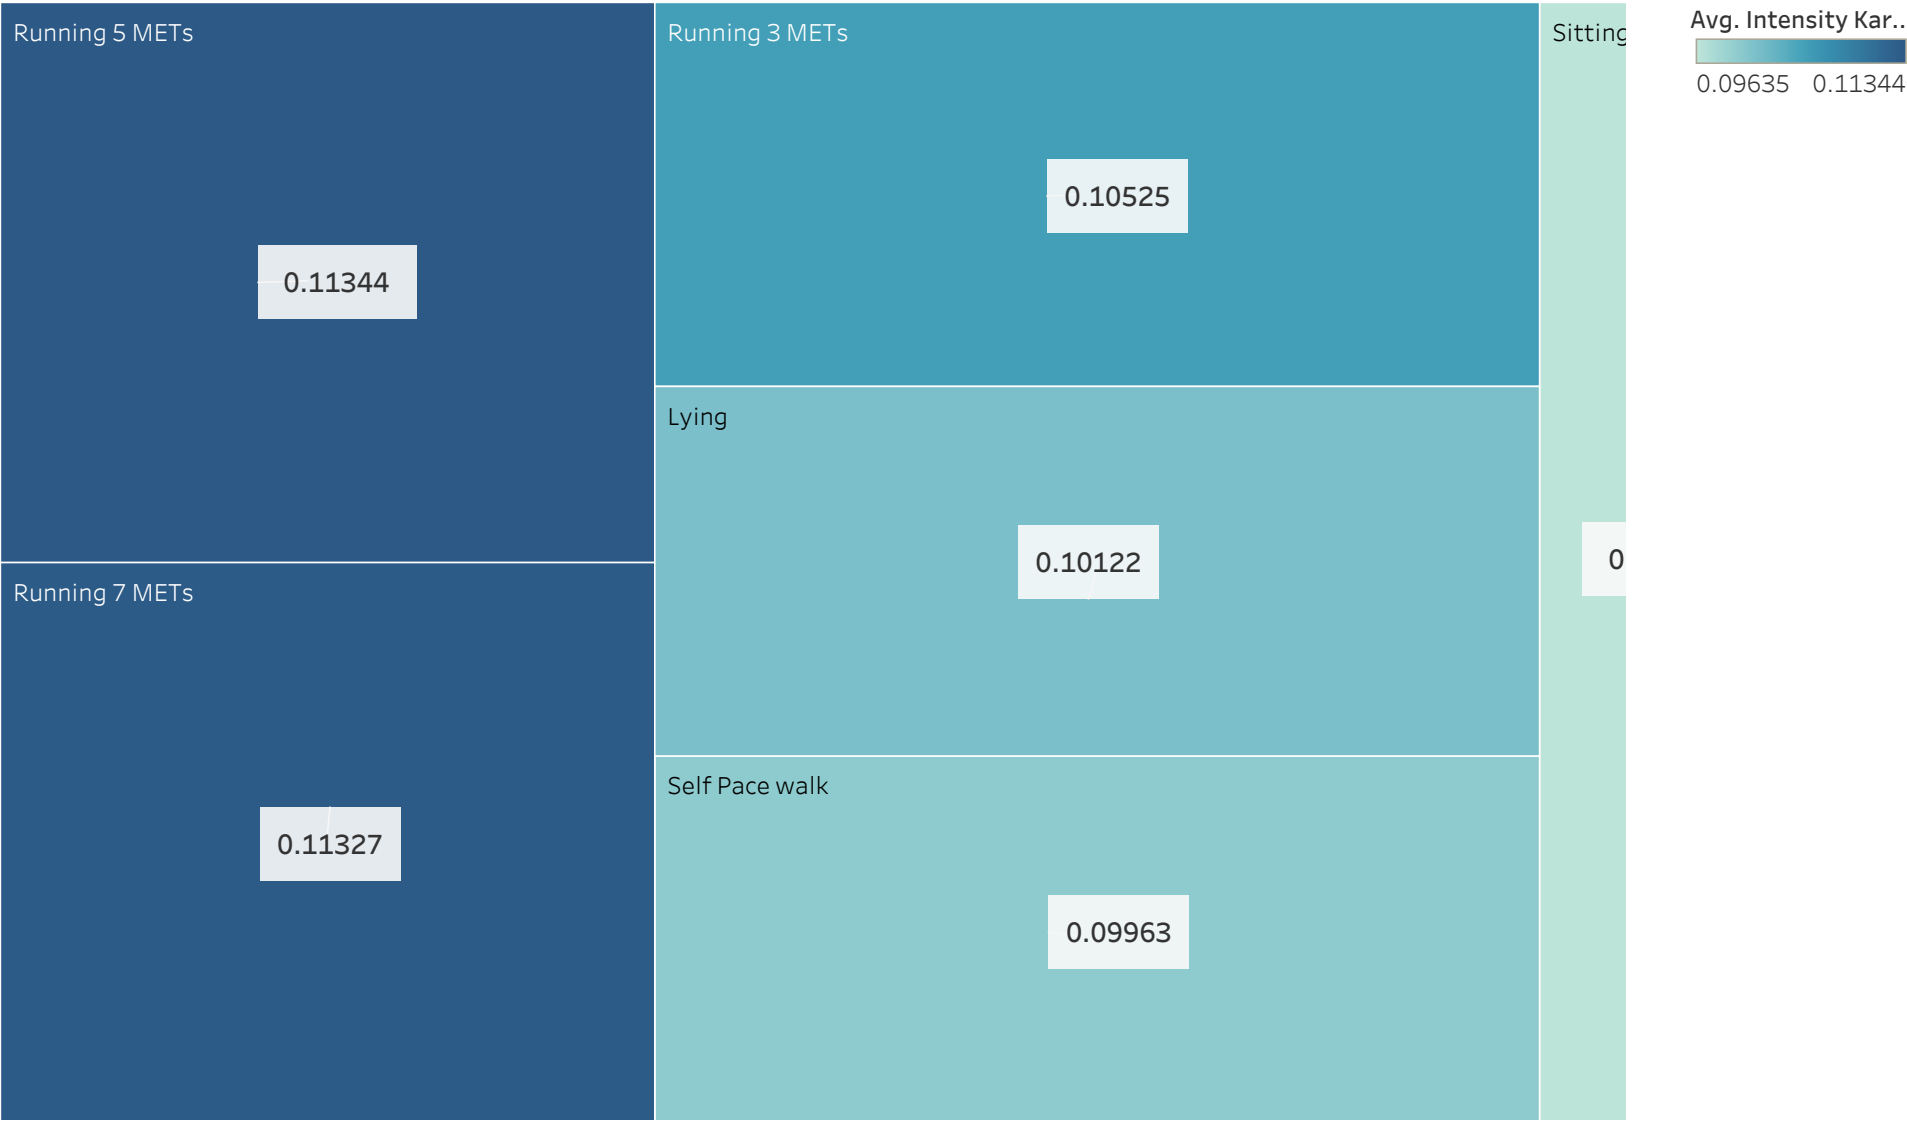

Steps vs. Distance. The data is filtered on Age and Device. The Age filter ranges from 18 to 56. The Device filter keeps fitbit.

Resting Heart Rate Box Plot

Resting Heart for each GenderF/M. The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.

Average Intensity of the Physical Activity

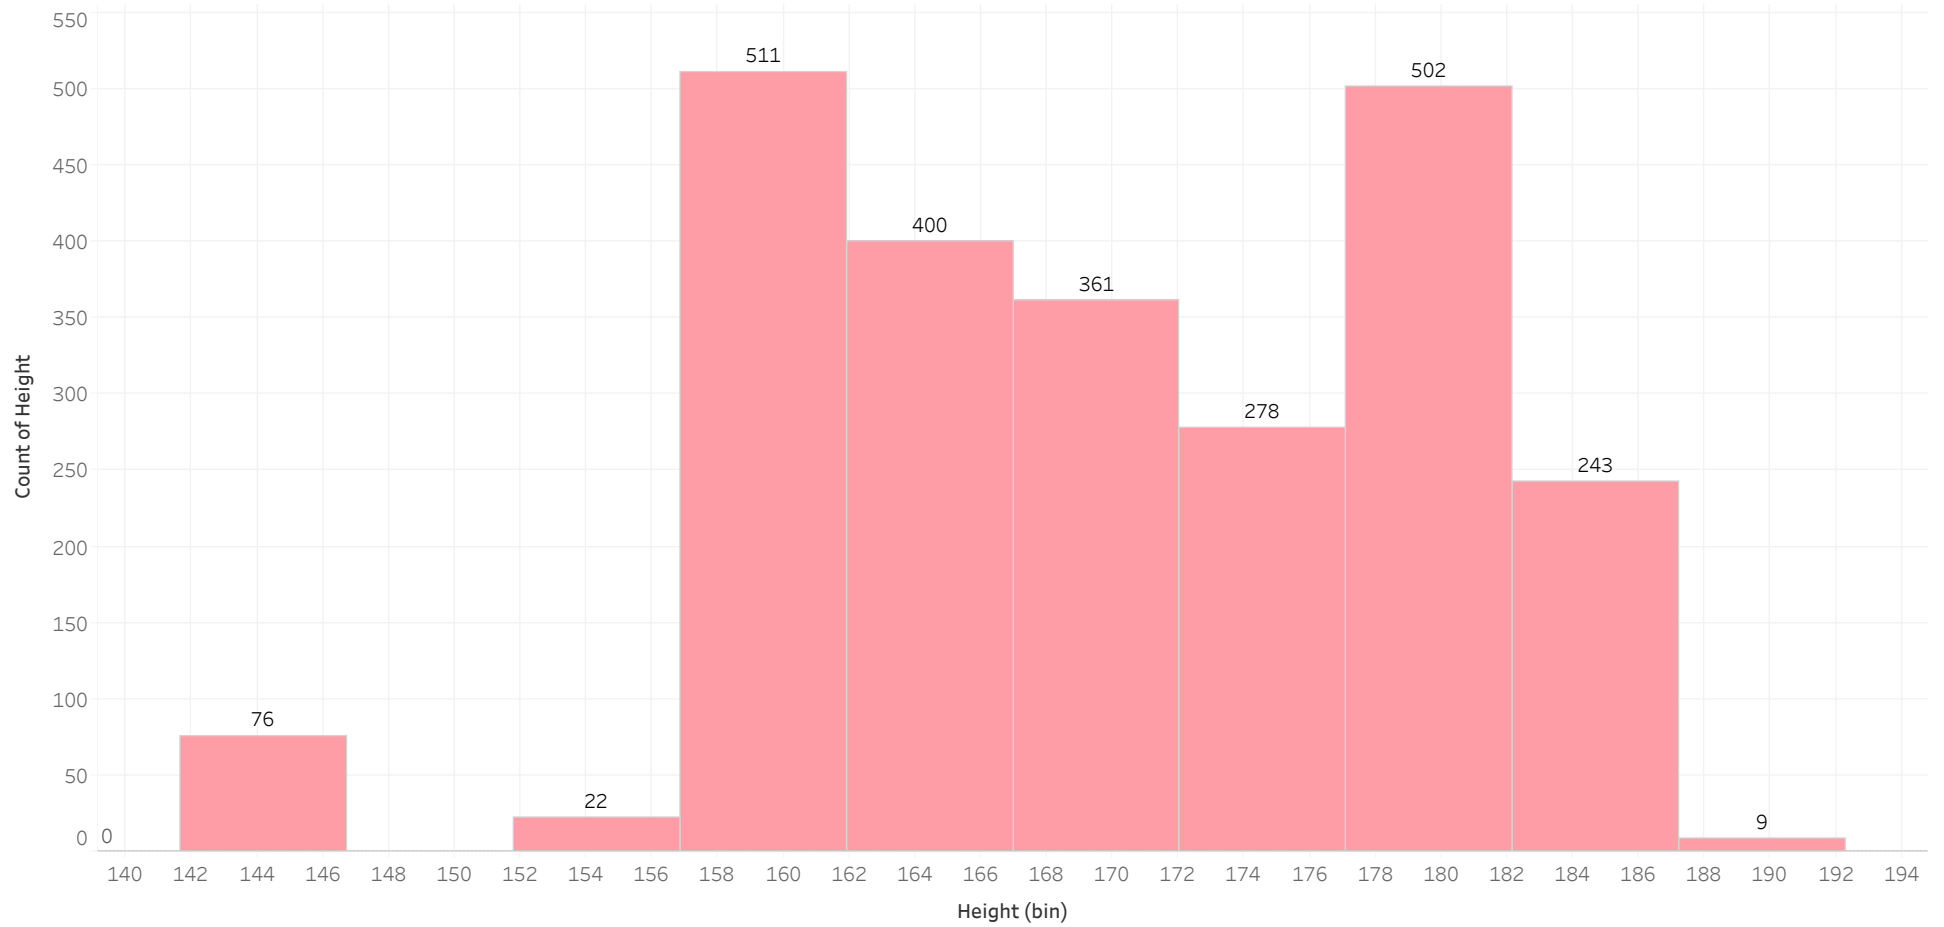

Activity. Color shows average of Intensity Karvonen. Size shows average of Intensity Karvonen. The marks are labeled by Activity. The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.

Average Intensity of the Physical Activity

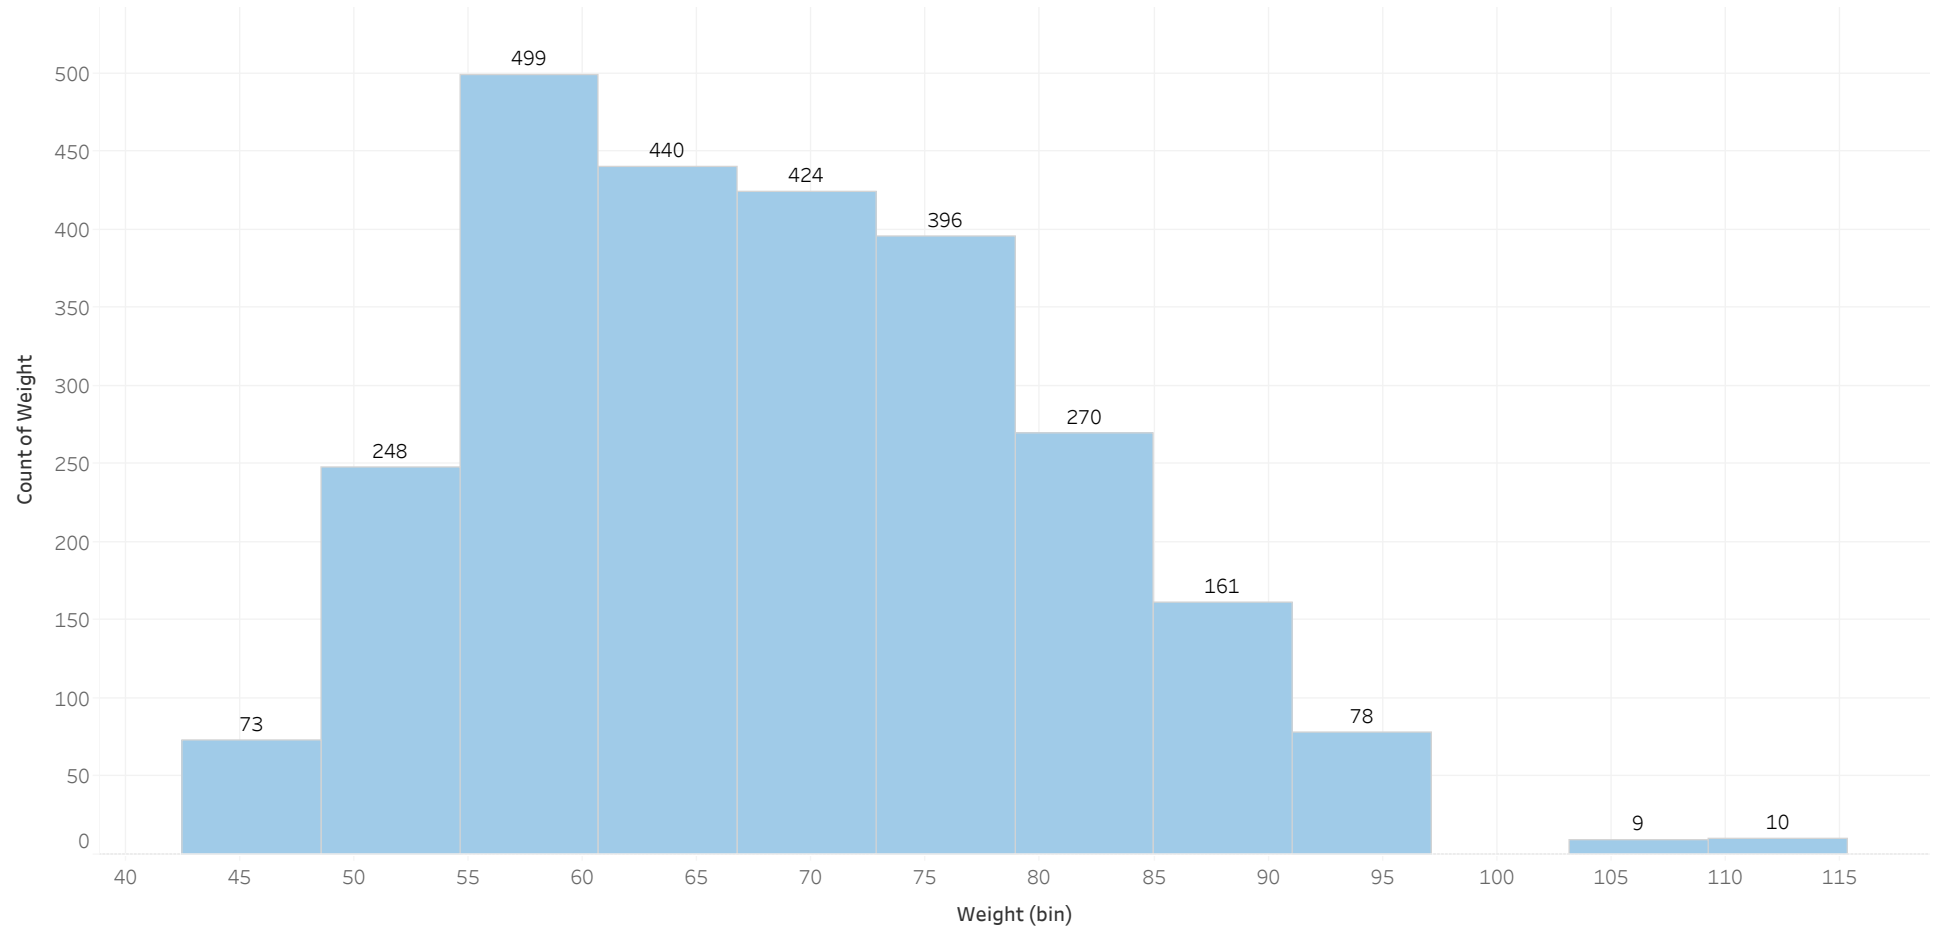

Activity. Color shows average of Intensity Karvonen. Size shows average of Intensity Karvonen. The marks are labeled by Activity. The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.

Height Distribution

The trend of count of Height for Height (bin). The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56. The view is filtered on Height (bin), which keeps non-Null values only.

Weight Distribution

The trend of count of Weight for Weight (bin). The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.

Avg Calories

Average Calories Burnt

38.66

Avg Calories Burnt

38.66

Avg Calories Burnt . Color shows Avg Calories Burnt . The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.

Correlation between Heart Rate and Steps

Correlation b/w Heart Rate & Steps

0.7274

Avg. Corr Heart St..

0.7274

Average of Corr Heart Steps. Color shows average of Corr Heart Steps. The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.

Heart Rate Variability

Heart Rate Variability

5.899

Entropy Heart

15,385

Average of Entropy Heart. Color shows sum of Entropy Heart. The data is filtered on Device and Age. The Device filter keeps fitbit. The Age filter ranges from 18 to 56.
